

The background of the slide is a complex, abstract network of glowing blue and white lines that crisscross the entire frame, creating a sense of digital connectivity. These lines are superimposed over a dark, nighttime cityscape where various buildings and lights are visible. A prominent red beam of light, possibly from a Citi building, cuts through the blue network in the upper right quadrant. The overall aesthetic is high-tech and futuristic.

ELIGIBILITY

Benefits are available to all full-time employees and eligible family members, including your spouse and any eligible dependents.

CHANGE IN STATUS

The elections you make when you are initially offered coverage and during the annual open enrollment period will stay in effect until 12/31/2026, unless you experience an approved Qualifying Change in Status.

Qualifying Change in Status events include, but are not limited to:

- Marriage, divorce or annulment
- Birth, adoption or placement for adoption of an eligible child
- Death of your spouse or your covered child
- Change in your spouse's work status that affects benefits
- For a full list, visit www.healthcare.gov/glossary/qualifying-life-event/

You must contact Human Resources within 31 days of the date of change for most events. If you fail to notify Human Resources within the allotted time, you will have to wait until the next annual enrollment period to make benefit changes.

PRESCRIPTION DRUGS

PREVENTIVE MEDICATION SAVINGS

You should never put yourself at risk of a preventable disease or condition because of the cost of a medication or a deductible. That's why the IRS allows certain preventive medications to be covered at 100% regardless of what plan you are enrolled in. You don't have to meet the deductible or pay a copay before these medications are covered in full.

ACCESS THE CIGNA VALUE 3 TIER FORMULARY

- Visit www.cigna.com/druglist
- Select "Value 3 Tier" and then search for your prescription by name or view the entire drug list

TIPS TO SAVE MONEY

- Ask your doctor, pharmacist or other healthcare providers about less expensive generic or brand name options
- Fill prescriptions at an in-network pharmacy near you
- Check your drug manufacturer's website to see if there are any coupons for the prescription you are taking

DID YOU KNOW THE AVERAGE TOTAL COST OF A BRAND NAME DRUG IS \$376 COMPARED TO THE COST OF A GENERIC DRUG, WHICH IS \$28?

Using a generic drug in place of a brand name drug could save you more than \$750 per year in out-of-pocket costs, depending on how many prescriptions you and your family use. By utilizing generics, you can lower your copayment and/or coinsurance amount, which can contribute to lower premiums for all.

90-DAY PHARMACY FILL

Cigna's 90-day retail pharmacy program offers you two ways to save on your long-term medications. Use either a participating pharmacy or Cigna Home Delivery pharmacy to fill most long-term maintenance prescriptions.

- **90-day retail prescription** must be filled at a participating retail network pharmacy. See the 90-day retail flyer in your enrollment packet or visit www.cigna.com/rx90network.
- **Fewer trips to the pharmacy:** You'll make fewer trips to the pharmacy for refills (four times a year instead of every month). You can also choose to get home deliveries with free standard shipping. With these options, you're more likely to stay healthy – with a 90-day supply on hand, you're less likely to miss a dose.
- **Get professional support:** Call the 24-hour, toll-free number for retail pharmacy (1.800.244.6224) or home delivery (1.800.835.3784) to speak with a registered pharmacist with questions or concerns.
- **Get easy refills:** Order refills 24-hours a day, seven days a week over the internet at myCigna.com or by phone. To get started with Home Delivery or the 90-day retail pharmacy program, ask your doctor to write a prescription for up to a 90-day supply of your medication and refills, for up to one year.

You Get:

- Online PT you can do when you want from the comfort and safety of home
- Customized recovery plans to meet your needs
- A multimedia app that guides you through your exercises
- Video, voice and chat conversations with your support team
- Weekly check-ins with a certified health coach to help keep you on track

HEALTH SAVINGS ACCOUNT (HSA) HSA BANK

An HSA is only available to employees who enroll in the Cigna High-Deductible Health Plan. An HSA is a tax-advantaged account that you own and can make contributions up to the IRS annual allowable limits.

TGVP will make a contribution to your HSA account during the upcoming plan year. The account is opened the first of the month following your benefit start date. Contributions can be used to pay for your out-of-pocket healthcare costs such as deductibles, copays and IRS-qualified healthcare expenses.

HIGH-DEDUCTIBLE HEALTH PLAN (HDHP) PAIRED WITH A HEALTH SAVINGS ACCOUNT (HSA)

A High-Deductible Health Plan (HDHP) is a health plan with a high-deductible that meets IRS guidelines and is paired with a Health Savings Account. All medical expenses are applied to the plan deductible including office visits, pharmacy expenses and hospital services first. Once the deductible is met, expenses are paid at 100% on the Buy-Up HDHP and 80% on the Base HDHP for the remainder of the plan year. Pharmacy expenses move to copays once the deductible has been met. Please note, that all network preventive care expenses are paid at 100% and not subject to the deductible.

A Health Savings Account (HSA) is an account that allows you to save money for healthcare expenses on a tax-favored basis. Your HSA stays with you if you leave the company or switch medical plan options. The HSA can be funded by the employee through either payroll deductions or by making a deposit directly into your HSA account. You pay no taxes on the contributions that you make to your account. The account must be funded prior to any withdrawals. As you have qualified expenses, you may use money from your HSA to pay out-of-pocket expenses. It's up to you whether to use your HSA funds. You are not required to use the money; you may save it for the future and let it continue to accumulate tax-free. The funds do not expire.

HSA ELIGIBILITY

To be eligible to open an HSA account and receive the TGVP HSA contribution, you must meet the following IRS criteria:

- Be covered by an HSA-eligible High-Deductible Health Plan (Cigna's HDHP qualifies)
- Not covered by any other health plan (such as a spouse's plan) that is not a high-deductible health plan
- Not enrolled in Medicare, Medicaid, TRICARE or TRICARE for Life
- Not eligible to be claimed as a dependent on someone else's tax return
- Not covered by a Healthcare Flexible Spending Account (FSA), including your spouse's FSA (Limited Purpose FSAs are an exception)

TGVP 2026 HSA CONTRIBUTION

- **Employee Coverage:** \$600
- **Employee + Spouse or Employee + Child(ren) Coverage:** \$1,200
- **Family Coverage:** \$1,700

2026 MAXIMUM ANNUAL HSA CONTRIBUTION FROM ALL SOURCES INCLUDING TGVP AND EMPLOYEE CONTRIBUTIONS (IRS LIMIT)

- **Employee:** \$4,400
- **Family:** \$8,750

Employees age 55 and above can make an additional "catch-up" contribution of \$1,000 in 2026.

These contributions follow our plan year, which is a calendar year. If you join anytime after January 1st, you will need to divide your contribution totals by the number of remaining payrolls.

FLEXIBLE SPENDING ACCOUNTS (FSA) MEDCOM

Through our Flexible Spending Accounts (FSAs), you are able to set aside money, before it is taxed – in order to pay for eligible out-of-pocket costs for dependent and medical care expenses.

HEALTHCARE FSA

Eligible expenses include out-of-pocket costs such as deductibles, copays, vision expenses and dental expenses. During 2026, you may contribute up to a maximum of \$3,400.

DEPENDENT CARE FSA

Eligible dependent care expenses include items like adult and child daycare, day camps and summer sports camps. During 2026, you may contribute up to a maximum of \$7,500 per household.

These contributions follow our plan year, which is a calendar year. If you join anytime after January 1st, you will need to divide your contribution totals by the number of remaining payrolls.

FILING DEADLINE

You have until March 31st of the following year to submit all claims to Medcom for reimbursement. There is a 2-1/2-month grace period (grace period ends March 15, 2027) to incur claims, you should budget carefully knowing you must use-it-or-lose-it.

THE DEBIT CARD

The debit card provides a way to immediately access the funds in your Flexible Spending Accounts. The card may be used at eligible merchants to pay for eligible expenses. Requirements for card usage:

- The card may be used to pay for eligible expenses under IRS guidelines, including (but not limited to): office visits and prescription copayments, deductibles, other eligible medical, dental or vision expenses that are not covered by any other plan
- The card may be used to pay for eligible expenses at approved merchants
- Expenses are limited to your elected annual maximum

You must keep copies of all your receipts for which you use your card. Medcom may ask for these receipts. If you fail to submit receipts within 90-days of service, your card will be placed on hold. After March 31, 2027, the 2026 FSA plan will be closed, and unsubstantiated claims will be reported as taxable income.

	HEALTH SAVINGS ACCOUNT	HEALTHCARE FSA	DEPENDENT CARE FSA
Anyone can enroll	No – only employees who elect the Cigna HDHP will be automatically enrolled	No – employees enrolled in the HDHP may not enroll	Yes – but expenses will not be eligible for reimbursement if your spouse is not working, actively looking for work, or going to school
Tax-advantaged account	Yes	Yes	Yes

Who can contribute?	You (or anyone on your behalf) and TGVP. TGVP funds HSAs with \$600 for Employee coverage, \$1,200 for Employee + Spouse / Child(ren) and \$1,700 for Family	You	You
Investment options	Yes – once the balance reaches \$1,000	No	No

DENTAL CIGNA

The Cigna Dental plan has both in and out-of-network benefits. Participants can choose in-network dentists or obtain services from out-of-network providers. In-network dentists have agreed to provide dental services at reduced fees, which will result in lower out-of-pocket expenses to participants. If you choose to use an out-of-network dentist, charges will be reimbursed based upon Reasonable & Customary (R&C) fees.

If your dentist recommends treatment for which charges exceed \$200, we recommend that you obtain a pre-treatment estimate so that your exact out-of-pocket costs are known prior to beginning treatment.

PPO	DENTAL	
Plan Deductible (per calendar year)	\$50 individual / \$150 family	
Deductible Waived	(Type I & IV)	
Annual Maximum	\$1,500	
Lifetime Orthodontia Maximum	\$2,000	
	In-Network	Out-of-Network
Plan Reimbursement	No Balance Billing	90 th Percentile of R&C
Preventive Services (Type I) Cleanings, X-Rays	0%	0%

Major Restorative (Type III) Crowns, Dentures	50%	50%
Adult & Child Orthodontia (Type IV)	40%	40%

Under the Dental Provider Organization (PPO) plan, you may choose at the time of service either a PPO participating dentist or any nonparticipating dentist. With the PPO plan, savings are possible because the participating dentists have agreed to provide care for covered services at negotiated rates. Non-participating benefits are subject to Reasonable and Customary charge limits, as determined by Cigna.

LIFE INSURANCE OPTIONS

BASIC LIFE AND AD&D - EQUITABLE

TGVP provides Basic Life and Accidental Death & Dismemberment insurance coverage for employees in the amount of three times annual earnings up to \$100,000. Benefits are reduced to 65% at age 65 and 50% at age 70.

Dependent Life

TGVP offers Dependent Life insurance for spouses in the amount of \$25,000 and eligible children in the amount of \$10,000 (\$500 for 14 days to six months of age).

VOLUNTARY TERM LIFE INSURANCE – EQUITABLE

Employees are given the opportunity to purchase additional term life insurance coverage for themselves, their spouse and/or their child(ren). The cost of the employee and spouse coverage is based on the age of the employee and the amount of coverage elected. The cost of coverage for dependent children is based on the amount of coverage elected. If you do not elect coverage when it is initially offered, all amounts will be subject to proof of good health.

- **Employee:** Employees may purchase voluntary life coverage in \$10,000 increments, up to a maximum of \$500,000 or 5 times annual earnings, whichever is less. Proof of good health is required for any amounts above the \$100,000 new hire guarantee issue amount for employees under the age of 70.
- **Spouse:** Employees may purchase voluntary life coverage on their spouse in \$5,000 increments to a maximum of \$250,000 (not to exceed the employee life election). Proof of good health is required for any amounts above the \$20,000 new hire guarantee issue amount for spouses under the age of 70.
- **Child(ren):** Employees may purchase voluntary life coverage on their eligible child(ren) in the amount of either \$5,000 or \$10,000. (\$500 coverage for a child under 15 days).

WHOLE LIFE AND LONG-TERM CARE INSURANCE – TRUSTMARK

This coverage will provide a death benefit in the event of a tragedy, but also provides monthly benefits in the event you or a family member are in need of long-term care or nursing home confinement. Employees may need long-term care after an accident or major illness even if a full recovery is eventually expected. Monthly benefits for long-term care may be available for up to four years. The policy also accumulates cash value which you may access after you have met a surrender period.

During the annual open enrollment, employees currently enrolled can increase coverage by 2 increments for themselves and their spouse without proof of good health, up to the guarantee issue amount. Proof of good health is required for any increases above this amount, for any amounts above the guarantee issue amount, and for all late entrants. Child(ren) do not require proof of good health.

Note: Employees must participate in the Voluntary Term Life Plan in order to elect spouse or Child(ren) life insurance coverage.

SHORT & LONG-TERM DISABILITY

SHORT- & LONG-TERM DISABILITY - EQUITABLE

For Short-Term Disability, in the event you are unable to work due to an illness, injury, accident or pregnancy, you will receive 60% of your weekly earnings. Benefits begin on the 1st day after an accident and on the 8th day for a sickness. Benefits are payable up to 26 weeks.

For Long-Term Disability, in the event you are disabled and unable to work, you will receive 60% of your monthly earnings to a maximum of \$10,000 per month with an additional, non-integrated 10% benefit for employees having a loss of two or more Activities of Daily Living or suffering a cognitive impairment. Benefits begin after you have met a 180-day elimination period. Benefits are payable as long as you remain disabled and unable to perform the duties of your own occupation for a two-year period. After the two-year period, you may be eligible to continue to receive benefits until your Social Security Normal Retirement age as long as you are unable to perform the duties of any occupation.

Employees have the opportunity to include the value of the employer paid Long-Term Disability premium as other income on your W-2. If you elect to be taxed on the premium that TGVP pays on your behalf and subsequently become disabled in that plan year, all Long-Term Disability benefits paid to you while out on disability will be 100% tax free.

Your election to have the value of your employer paid premium for Long-Term Disability coverage included on your W-2 as taxable income must be made prior to the beginning of the plan year in which the election becomes effective, and the election is irrevocable once the plan year begins. You will be offered the option of making a change annually per IRS regulations.

If you elect not to include the value of the employer paid Long-Term Disability benefit on your W-2, any benefits paid to you will be considered taxable income for the duration of your disability.

VOLUNTARY BENEFITS

VOLUNTARY CRITICAL ILLNESS – EQUITABLE

Critical Illness insurance can help provide you and your family with the additional financial protection you may need for expenses associated with an unexpected serious illness, so you can focus on getting better. Critical Illness provides you with a lump-sum benefit when diagnosed with a critical illness or if you have a specific event such as a heart attack or stroke.

You can elect a lump-sum benefit for an employee in increments of \$5,000 up to a maximum of \$30,000, and for spouses, a lump-sum benefit in increments of \$2,500 up to a maximum of \$15,000. Employees may elect life coverage on their eligible child(ren) in the amount of either \$2,500 or \$5,000. Spouse and dependent coverage cannot exceed 50% of employee election. The cost of coverage is based on your age, the amount of benefit you elect and which family members you cover. The benefit is paid directly to you. You can use the benefit to pay for out-of-pocket medical expenses, travel, treatment options not covered by your insurance plan or any unrelated expenses. You can also receive a \$100 wellness benefit per calendar year per covered person.

Some examples of eligible illnesses include: end-stage renal failure, coma, heart attack, major organ transplant, benign brain tumor, stroke, Parkinson's disease, blindness, and advanced Alzheimer's disease. Please review the plan materials for the full diagnosis requirements needed to qualify for the benefit payment.

VOLUNTARY ACCIDENT – EQUITABLE

It's a way to stay ahead of the medical and out-of-pocket expenses that add up quickly after an accidental injury – not just for emergency treatment, hospital stays, and medical exams, but for other expenses you may face, such as transportation and lodging needs. You can also receive a \$100 wellness benefit per calendar year per covered person.

You may enroll yourself as well as your eligible spouse and children.

401(K) RETIREMENT PLAN – ADP

The TGVP 401(k) Plan offers an easy way to save for your future through payroll deductions. Contributions from your pay can be made on a pre tax or post tax basis up to the IRS annual limit. TGVP employees who are at least age 18 and have met the six-month service requirement are eligible to participate in the 401(k) plan. You will be automatically enrolled but can opt out. TGVP will provide a 100% match of the first 3% of compensation contributed. Employees are 100% vested in all employer contributions after six years. An additional discretionary profit share of up to 3% may be added depending on reaching company goals.

ADDITIONAL BENEFITS

EMPLOYEE ASSISTANCE PROGRAM – COMPSYCH

When personal problems arise, many choose to cope alone, resulting in negative consequences at home and the workplace.
